

Pick of the Month – May 2012

AT Pick:

Self-Driving Car

From the American Council of the Blind:

I thought you all might find this topic interesting. Information on the self-driving car project as well as a link to an audio described version of the video demonstration can be accessed by using the link below.

<https://plus.google.com/u/0/116899029375914044550/posts/MVZBmrnzDio#116899029375914044550/posts/MVZBmrnzDio>

Additionally, ACB was quoted in a story posted at foxnews.com. Here is the link to the story.
