2018 National Disability Employment Awareness Month! America's Workforce: Empowering All!

From The Philadelphia “Employment 1st, Employment NOW!” Steering Committee:

“Reflecting a commitment to a robust and competitive American labor force, the 2018 National Disability Employment Awareness Month (NDEAM) theme is “America's Workforce - Empowering All!” Observed each October, NDEAM celebrates the contributions of workers with disabilities and educates about the value of a workforce inclusive of their skills and talents.

“The Philadelphia “Employment 1st, Employment NOW!” Steering Committee is once again celebrating this event with a month of employment success stories. Each day we will be posting another success story about someone who is contributing to their community through employment.”
