Web Pick:

Assistive Technology -- Summer Cleaning! (Free!)

From Networks:

“Most of us take some time in the spring and summer to clean out those closets, to get rid of items we no longer need or have duplicates of... Networks has cleaned out some of our closets and is offering various items that we have duplicates or just aren't used regularly... You or someone you know may be able to use these! Items are divided into three categories: Computer access, Communication and Adaptations for Daily Living Skills.”
